

Little Oaks Freedom Day Celebrations 2013 ...

On the 26th of April, we all arrived wearing colours of the South Africa flag and other national emblems.

We began our day with a parade around the garden and then on into the music room donned with our gumboots on. John then taught us how to do traditional gumboot dancing! Phew – a lot of fun and real hard work too!

We marched on out waving our flags and after a little break were called back in to taste all the food from our colourful country. Mrs Payton explained all the foods to us and where they came from and we all had plenty to eat and drink!

We finished the day singing our national anthem! What a lovely day it was.
