

## **College Sport Honours and Colours Criteria**

**1st Team Award:** 75% of fixtures and practices in the 1st team in a calendar year – automatic qualification. Less than 60% - does not qualify. If a player has played between 60% and 75% the coach may make a recommendation motivating 1st team status. E.g. if the player was committed but there were extenuating circumstances such as injury etc.

**Merit Certificate:** For winning a specific competition, winning a league, unbeaten in a season where the season consisted of a minimum of four matches.

**Half Colours:** Eden district representation. Performance of a high standard combined with dedication to the team and sport at school.

**Full Colours:** Provincial representation, combined with dedication to a school sport and 1st team representation, met with the 1st team award criteria.

**Honours:** Candidate must have National representation in a school sport, and meet the criteria of Full Colours.

Furthermore, and most important, the Honours candidate must be an outstanding example of active involvement in, and positive contribution to, the life of the school. Also, the ethos of Oakhill must be evident in the character of the Honours candidate. School activities are essentially based on teamwork, so the Honours candidate must be an example to others in this regard.

As Honours is one of the highest accolades awarded by Oakhill, the relevant Awards Committee, following discussions within the committee, will table a potential candidate's nomination with the College Executive for final ratification and acceptance.
